GENERAL INFORMATION

Conference Venue

The CNS 2015 Annual Conference will be held May 31-June 3 at the Hilton Saint John/Saint John Trade & Convention Centre, Saint John, New Brunswick, Canada.

The exhibits will be located around the perimeter of the Great Hall and in the Foyer area. These areas will be used for the reception, student poster session, daily breakfast, luncheon and morning and afternoon break periods, thus providing maximum exposure for corporate displays to the Conference participants. The Conference plenary and technical sessions are being held on the same level, thus conveniently allowing the delegates to explore the exhibits during refreshment breaks.

Conference Theme

The theme for the CNS 2015 Conference & Exhibition is "Nuclear Innovation through Collaboration". The CNS promotes the exchange of information on all aspects of nuclear science and technology and its applications.
